Princeton Preferences from Facial Expressions Data Set

<http://tlab.princeton.edu/databases/>

By signing this EULA, the user agrees to the following terms:

- 1.- Commercial use. The database may only be used for academic purposes.
- 2.- The current EULA is signed by a person with a full time position at an academic institution. The signer takes full responsibility for use of all downloaded data.
- 3.- Distribution. The user may not distribute either the database or portions of it in any way.
- 4.- Publication of images. The user may not display any image from the database in any publication or public presentation.
- 5.- Warranty. The database comes without warranty. Authors are not responsible for any damage caused by the database.
- 6.- At any time, users may be asked to cease use of the database.
- 7.- Users will not grant access to the database to anyone out of their research group.
- 8.- Publications that report results based on the database will cite:
David Masip, Michael S. North, Alexander Todorov, Daniel N. Osherson.
"Automated prediction of preferences using facial expressions."

The user may use the database after signing the current EULA and sending it digitally (pdf) to: dmasip@uoc.edu
